
Cypress Landing Master Homeowners Association

Dick Buttner Community Service Award 2009 Annual Meeting

Cypress Landing Master Home Owner Association's annual "Dick Buttner Award" is presented in recognition of individuals who have sustained major contributions to the community through their volunteer efforts for at least two years. This year's recipient, Mr. Harry Wheaton, is truly worthy of this award having provided exceptional services as set forth in the following citation:

The Cypress Landing Master Home Owner Association takes pleasure in presenting the Dick Buttner Award for 2008 to Mr. Harry Wheaton for exceptionally outstanding service as Cypress Landing Web Master during the period October 2001 through September 2009. Eight years of invaluable dedicated service to the Cypress Landing Community. Always behind the scenes, Harry has proven to be a skillful, dynamic and resourceful webmaster and achieved great success in improving the communications and interaction for the Cypress Landing community.

Through his effective management, outstanding initiative and unfailing commitment of time and effort the communities' web-based programs have reached a high state of effectiveness. An effective webmaster does more than make the website attractive and easy to navigate. The webmaster must have a fine sense of community understanding and be able to appeal to the individual lot owner to gain his or her participation. Harry has implemented three major upgrades to our websites appearance over the years. In addition, he has worked with various committees' and the Board to use the website to collect data to assess community needs and opinions. Harry is more than a master code writer he has a keen and balanced sense of our community and knack of how to present issues in a manner that gains participation.

In addition to supporting the Home Owners Association, Harry is also the webmaster for the Cypress Landing Marina Association and has made significant contributions to the community through his web based support for the Cypress Landing Golf Club.

Harry's personal skills, leadership, boundless enthusiasm and continuing faithful commitment to Cypress Landing has made the community a better place to live. We are grateful for your service and proud that you are our friend and neighbor.

Thank you for a job Well Done.
